WELLNESS AND SECURITY

By encouraging wellness, Pinelands Grove provides a varied range of services to residents. Care packages have been designed to accommodate the needs of independent residents. Pinelands Grove has Frail Care and a dedicated Care Centre managed by CPOA.

Safety is a prime priority. Residents can have peace of mind as a secure safety system has been installed. Closed circuit television cameras at entrance doors as well as the reception area allow for 24-hour a day monitoring. Access to the premises is controlled by qualified security guards and visitors will report to the reception to ensure a safe and secure environment is maintained at all times.

The entire perimeter of the property is protected with an electric fence that is monitored 24-hours a day, seven days a week

MANAGEMENT

Pinelands Grove provides residents with the highest standard of care in a homely, secure and comfortable environment. Through its partnership with the Cape Peninsula Organization for the Aged (CPOA) relationships are nurtured to create an environment where residents are comfortable and feel at home. Residents receive the highest standard of care and nursing within a homely environment.

CPOA's competitive health care makes provision for those in need of extra special care and this is provided in all CPOA health care facilities. Trained health care professionals encourage independence and the quality of care is of the highest standard.

Nothing is more important than caring for residents and ensuring their problems and needs are addressed.
