

I am Rosalie Jack

Good day, I am Rosalie Jack and I've been with Pam Golding Properties since the year 2000. I began my Real Estate career many years prior as an assistant and swiftly up-skilling myself into a qualified Real Estate agent with numerous qualifications, NQF4, CEAB, MIEA, CRS, FECT Real Estate, FFC and CPD. I have been the proud owner of a franchise branch in Sea Point. I specialise in both residential and commercial sales from Cape Point to Simon's Town.

With over 23 successful years in the industry I have proudly received many accolades and awards, consistent Gold Club Achiever awards, National Premier Awards, along with numerous service excellence awards. It is through my experience that I have learnt the importance of building relationships and customer service. My enthusiasm for working with people, visiting lovely homes and attending to my client's needs ensure I am dedicated to maintaining high standards of excellence. It is always rewarding finding a solution with a happy ending for both parties and finding their perfect home.

I appreciate the flexibility the job has to offer and make the most of my personal time spending quality moments with my family, boating, walking, swimming, camping and reading.

Get in touch and let's discuss how I can help you with your property requirements.

"Rosalie was helpful, courteous and friendly, and would certainly recommend her services "
