I am simply the most perfect view of Table Mountain.

I am Platteklouf Agent, Penny Petersen.

Good day, I'm Penny and I am a Pam Golding Properties agent with over 34 years' experience in the real estate game. I started selling property in Platteklouf 25 years ago when there were just plots in Platteklouf 2 and 3 and before there were even any houses in Platteklouf!

With over 25 years with Pam Golding Properties, I am proud to have been awarded Gold Club Agent Status for multiple years. I have been on the Northern Suburbs Area Committee for 15 years, as well as being the Director of the Institute of Estate Agents for 8 years. I am a Certified Residential Specialist as well as holding a certificate NQF4 and Commercial Investment Education Alliance certificate.

I just love my job, there is no other way to share my passion! Selling a house and finding the perfect fit for the right buyer is the most rewarding feeling. Having been in the business for so long, I am able to quickly identify the potential in a property and be able to visualise the end result. I thrive on the thrill of matching people to homes and the relations I build with my clients. Outside of work, I love traveling, sewing, gardening and spending time with my grandchildren.

"We can assure you we have never and maybe will never again receive service like we did from Penny. She gave us regular feedback and was very professional, honest and friendly at all times. She even watered the garden and cleaned the yard and pool while we were away, way beyond her line of duties! – James & Henriette Milne"
