

I am Mary Davidson

Claremont and Lynfrae agent, Mary Davidson.

Hello, I am Mary, and I have been working with Pam Golding Properties since 2007. I specialise in residential sales in the Claremont, Lynfrae area. I hold my CEA, NQF4 and PDE qualifications, in conjunction with my BSC Hons Sociology, and Public Relations Diploma. I have been in the industry for a little over 10 years and I love my career choice more and more each day.

I am a people's person and love matching the right person with the right property. Buying or selling a property can be a rather stressful process, and with the comprehensive service I provide I can alleviate much of that stress. My past careers of social worker, sales representative and branch manager have been the foundation of understanding people and their needs. I endeavour to go the extra mile for each client.

Having been a resident in the area myself for the past 30 years, I understand the importance of our community and welcome new residents with open arms. We encourage neighbours to know one another and arrange social evenings with cheese and wine, welcoming old and new to meet. With valuable insight into the local market, I am able to share this with my clients, encouraging their decision to purchase in the area. My children attended the local schools, I take my dogs for walks in the nearby park, and I frequent the gym and coffee shops in the area.

I am involved in Common Ground Church, where I run small groups in the community, facilitating in "recovery", providing assistance to those in need, such as going through a difficult divorce or traumatic experience. I am also involved in a mentoring programme assisting refugees to start up a small business. I believe in giving back to the community wherever I can as this forms the surroundings and support in my life. At the weekends when I can, I am off hiking and exploring our beautiful peninsula. When the opportunity arises, I do love to do some wining and dining, and share my love for books with my Book Club ladies.
