I am Somerset West Agent, Gemey Moss.

Hello, I am Gemey Moss and I've been in the real estate industry for fourteen years – nine of those as part of the Pam Golding Properties team. When I am not working, I love to unwind with a good book, or clear my mind with gardening. My love for reading is evident in the fact that I have belonged to the same book club for thirty years!

A little bit about me - I grew up in Somerset West and attended the local schools. Having lived here for sixty years has equipped me with an invaluable knowledge of the area. I couldn't imagine living anywhere else as this is by far the most beautiful region in South Africa.

I am very loyal to my clients and will always go the extra mile to see them happy!

I specialise in rentals as well as residential sales and my love for the ever-changing property market, as well as my love for meeting new people adds to the job satisfaction that working for Pam Golding gives me. There is nothing more satisfying than matching a home to a client and seeing them happily settled.

I have been complimented by a number of my clients on my friendliness, my willingness to go the extra mile, my compassion and my professionalism. The relationship of trust and respect that I've built with my clients has resulted in many of them becoming good friends.
