

# I am Debbie Pughe-Parry

What makes me passionate about the property industry is its people. These daily interactions, be they moments shared with a seller about to launch a much-loved home on the market or a first-time buyer ready to put in an offer; guiding and assisting people at such a vulnerable time in their lives is what drives me.

It is here that I strive to make a difference and find fulfilment in my career. My role model has always been the doyen of our industry – Pam Golding. She possessed great wisdom and insight; always giving her full attention, empathy and understanding to every interaction.

I love all forms of art, am an accomplished ceramic artist, writer, floral artist, garden enthusiast, bird watcher and home maker with a strong interest in food and wine pairing. I am inspired by treasured friends, the love of my precious family and their belief in me.

Over the last 11 years of my career, I have learnt resilience and patience. I see my role as a professional facilitator, reaching out and always being on hand to help my clients whatever their property needs.

I have achieved Agent of the Month, across all agencies in the city, five times – an honour indeed. As a top area agent, I have been awarded Gold Club Status and hold a Long Service Award.

I strive to seek quality in all aspects of life and to remain my authentic self.

I am Helderberg agent, Debbie Pughe-Parry
