

I am Jean Markham

Hello, I am Jean Markham. For the past 4 years I have been awarded with Top National Rental Agent with Pam Golding Properties. Having worked in the travel and hotel industry for many years, prior to my career in real estate, enables me to identify with my clients as many are foreigners arriving in South Africa on working assignments. It is a privilege to introduce them to our country and assist them in the daunting task of relocating. I pay particular attention to their concerns and needs as it is vital to enable them to make a decision that's right for them. I try to connect with my clients, learning about their home country and enjoy educating them about our customs and the South African lifestyle. There are many things we take for granted and it is part of my job to educate them about everything from schooling, banking facilities and security. I was fortunate to have been able to travel in my previous career and enjoy reminiscing with my clients about the different cultures of the world. Cooking and entertaining are other passions of mine. I am a foodie! Artisanal food markets and fine dining restaurants are highlights on my calendar. I love trying new dishes and experimenting in the kitchen. Travelling is still top of my list and the travel bug is firmly entrenched in my bones. Sharing this desire to see the world with my clients builds trusting relationships which often turn into friendships.

"Thank you Jean, I have been happy with you and Pam Golding Properties"
