

# I am James McMeeking

Hello, I am James, I have been with Pam Golding Properties for 10 years. I specialise in residential property rentals in Pretoria. Prior to my long standing career in Real Estate, I worked at a South African banking institution for 10 years. This financial background has equipped me with a wealth of knowledge and expertise to share with my clients, and ensuring they make informed decisions around their property investment. I am a hard working person who believes you reap what you sow. I am always careful not to generalize and to treat my clients as individuals, each have their own unique property requirements. I acknowledge that I am, in general, working with my client's most valuable asset. I grew up in Pretoria and the Natal South Coast, and moved back to Pretoria. I loved surfing, skateboarding and playing football as a child, now in my adult years, I am still a big football fanatic. My hard work and commitment to the industry has rewarded me with Gold Club status since 2009 - 2015. I have also achieved highest number of leases in Gauteng on numerous occasions.

Get in touch and let's discuss your property rental requirements.

"James assured me he would find a tenant in a few weeks. True to his word, in a few weeks, there was a qualified tenant waiting to move in. A year later, James renewed the lease agreement so seamlessly that I almost forgot I was a landlord. James has been so efficient that I have experienced absolutely NO issues with the rental of my property. "
