

I am Ken Woollcott

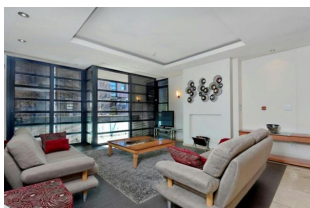

Hello, I am Ken Woollcott and I specialise in sectional title apartment sales in the exclusive Melrose Arch precinct.

My career in real estate spans some 40 years, and I had the privilege of working alongside Pam Golding right from the start. On meeting Pam, I knew instinctively that Pam Golding Properties was where I wanted to work. In just 3 short months we opened our first office in Gauteng and within a year we grew from six to 26 agents. Her vision, honesty, integrity, and professionalism are values that I live by and are integral to my work ethic. I started out as an agent selling in the areas of Sandhurst, Hyde Park and Atholl. Subsequently, I have held various positions in Marketing, Administration and Branch Management at Pam Golding Properties. For me, there is nothing more rewarding than helping agents achieve their goals.

Now, after 32 years I've decided it's time to put into practice everything I've taught our agents and return to what I love doing most, and that's selling property.

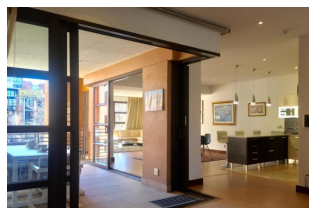

If you would like to buy or sell in Melrose Arch, please get in touch with me.
