

# I am Paul Levy

Hi, I am Paul Levy and presently I am an award winning real estate agent for Pam Golding Properties. My 15 consecutive years' experience in the industry has earned me Pam Golding Elite Gold Club status as well as Emerald Circle agent for the past 6 consecutive years. I am constantly ensuring and safe guarding my expertise, skills and knowledge of the industry by regularly attending updating business and property sessions. I graduated from UCT with a Bachelor of Commerce degree, majoring in accounts, and thereafter completed the Paddocks Sectional Title Specialist Realtor Specialist (STRS) course at UCT. I have completed my NQF4, passed the PDE (Professional Design Exam) and am registered as a CRS (Certified Realtor Specialist).

I am a real estate sectional title specialist in the Waterfront, Waterclub, Foreshore and Mouille Point areas. Living, owning and working in Mouille Point precinct allows me to constantly stay aware of market trends and movements in the area. I have played an integral part in the selling of two major new developments in the Foreshore area (The Yacht Club and

Harbour Arch) and have achieved profound success in doing so. Further, our team successfully sold out two of the latest Mouille Point developments. Our team has successfully dominated the Mouille Point apartment market for 15 consecutive years.

Building strong relationships with our longstanding and new clients plays an important role in my career. Paramount to me is the concept of return business and working with internal and inter office referrals from other Pam Golding agents. Having my personal and business life closely revolve around the same areas of interest (family, business, property and sport) allows me to network daily with friends, owners, tenants, sellers and buyers – right in the heart of my area. I eat, gym, exercise and relax in my area, and I take great pride in sharing this prestigious lifestyle with old and new clients.
