## **I am Atlantic Seaboard Agent, Farrel Kelman.**

Hello, I am Farrel Kelman, I have been in Real Estate for 16 years, 10 of those with Pam Golding Properties. I specialise in luxury residential property sales in Sea Point, Green Point, Three Anchor Bay, Fresnaye and Bantry Bay. I hold my FETC Real Estate PPRE qualification, along with my IMM Marketing.

I eat, breathe and sleep property, there is no denying it is in my blood. I was brought up in a property environment, with both my parents being successful agents. I thrive on the daily challenges, and the fast pace of the industry. I am known for my thorough customer service, my ability to quickly interpret my clients' needs and wants and provide consistent communication with all parties involved. Each client brings their unique requirements and making their experience a positive one is my goal.

Through my years in the industry, I have received various accolades for my commitment and dedication to achieving success. I have been rewarded Gold Club agent for 7 years, and am an Emerald Circle Agent, making me one of the top 1% performing agents within Pam Golding Properties.

When I am not selling property, I enjoy spending quality time with my family, watching movies and dining out.

Get in touch and let's discuss your property requirements.

"Having worked and lived in many parts of the world, and having both bought, sold and rented many homes, I can testify that by far the most professional and personal service I have ever experienced has been with the recent sale of my property in Three Anchor Bay, Cape Town with the wonderful services provided by Farrel Kelman of Pam Golding."
