Hello, I am Hugo and I have been with Pam Golding Properties since 2009. I specialise in residential and commercial Real Estate in the Northern Suburbs of Cape Town. I hold a Professional Practitioner in Real Estate qualification. My first Fidelity Fund Certificate (FFC) was issued in 1990 in Bloemfontein, a very long time ago!

I have 16 years' experience in property sales in Cape Town, and 3 years in property rentals. My rental areas of focus are the Kuils River and Kraaifontein areas. I have lived in Durbanville for the past 17 years, with the last 3 in Kuils River. I pride myself in building trusting relationships between myself and the home owners. They rely on me to find suitable tenants for their property, and leave their valuable investment in my hands. I continue to grow my rental book month on month, and proudly achieve the goals I set every year. I am striving to achieve my highest goal yet – Gold Club Agent status.

I have two sons, one of whom lives with me, and the oldest is working in Bloemfontein. When I am taking a break from my career I enjoy exercising in the gym, or playing a round of golf. My family and friends enjoy a social gathering around a braai or a day out with wine tasting.

Get in touch and let's discuss your property requirements.
