I am Adelaide and Fort Beaufort Agent, Dave Knoesen.

Good day, I'm Dave and I've been working with Pam Golding Properties since 2011. I specialise in residential and commercial sales in Adelaide and Fort Beaufort. When I'm not doing that I enjoy spending time with my family and friends. Get in touch and let's discuss how I can help you with your property requirements.

I have been working with Pam Golding Properties for 9 years. Prior to this I worked for a large Diamond Mine in Angola as a Catering and Camp Manager, looking after the needs of 1,200 mining staff from diverse nations. Due to closure of the mine I relocated to Adelaide and decided to join Pam Golding Properties where I achieved my FETC in Real Estate.

In addition to that I also have a Diploma in Hotel Management and have successfully completed my Professional Practitioner in Real Estate qualification. I have done various internal training courses with Pam Golding Properties, which has provided me with the necessary tools to provide excellent client communication and service. I specialise in residential and commercial sales in Adelaide, Alice and Fort Beaufort.

My knowledge and understanding of the area has proven to be a great asset to all my clients, supplying them with the best possible advice for all their property needs. I always treat my clients with the same amount of respect and undivided attention! I will always go the extra mile for my clients in order to ensure their needs are satisfied, even if it's assisting them in finding a suitable school for their children so that they can settle in with ease.

I am constantly involved with the community in order to make it a better place to live in and retain all its people. I am always a phone call away and am willing to assist you with all your property needs and requirements. Come see me today or just simply give me call to help you find your dream home.

"Wow well done, you sold my home after 2 days I was expecting to wait years!"
