I am Parkhurst Agent, Judy Mack

Hello I'm Judy and have been working with Pam Golding Properties since 2010. I specialize in residential Letting in the Parks, Craighall as well as Craighall Park. When I'm not working I enjoy gardening, with the help of my two Daschunds, Brutus & Max. Flower arranging, interior decorating, painting. I began my career in Real Estate 31 years ago, focusing on sales in Hout Bay, Cape Town. After running my own successful Real Estate Company for a number of years I decided it was time to spread my wings, and moved to the UK where I continued in property for 10 years. I owned a delightful apartment in Spain where I planned to settle. However, South Africa (and family) drew me back to its beautiful shores.

I am a dedicated and tenacious person, never giving up on finding my clients the home of their dreams, yes, even in rentals! I love property and viewing so many different style homes. I find it extremely exciting which hopefully I pass onto my clients.

Together with my partner, and daughter, Sandra Mack we have had a splendid, successful year winning Agent of the Month for 3 successive months, rewarded for exceeding our target through the most New Listings and most New Deals, High end leases, 3 years at R42 000 and 2 years at R50 000.

I qualified as a Real Estate Agent in 1985, and have continued to keep myself up to date on all changes and developments in the industry over the past 31 years.

Get in touch and let's discuss your property requirements.
