

I am Stella Simes

Hi, I'm Stella Simes and I've been working with Pam Golding Properties since 2004. I specialise in residential sales in Durban North and La Lucia. I am a local Durban North resident who is passionate about the area. I have been in the property industry for 13 years and am in possession of the CEA and NQF4 Real Estate qualifications. When I'm not busy with my clients, I enjoy walking, gardening, reading, spending time with family and hunting for that elusive antique bargain. Get in touch and let's discuss how I can help you with your property requirements.

My territory extends from The Umgeni River and includes Umgeni Park, Athlone, Durban North, Red Hill, Park Hill, Glen Hills, Glen Anil, Sunningdale, Somerset Park, Glen Ashley, La Lucia, Umhlanga and Umdloti. My client base is varied with no home being too big or too small. My highest top end sale was in Durban North and is still the highest sale recorded for the area at just under R14 000 000. We also concluded the lowest sale in the area for R350 000. Each home is a privilege to work with and the satisfaction of finding the perfect home for a family is the greatest

reward.

Buying or selling a home is an emotional journey which requires sensitivity and empathy. My strengths are good listening skills, an empathetic nature and dedication. I have been awarded Gold Club Status 8 times and was the Agent of the Year for 2015. I am committed to assisting my clients throughout the process to make it as stress-free as possible. To balance the often long and irregular hours of my day I de-stress with long walks on the beach, pottering among my roses and other less demanding plants, reading and scouting quirky shops off the beaten track for hidden treasures.

"Stella is one of the most dedicated, hard-working professionals I have ever had the privilege of dealing with."
