

# I am Trish Hartley

## I am Gordon's Bay.

I am home to black eagles and clawless otters.  
I am schools of dolphins in the bay.  
I am a town that feels like you're on holiday all year round.  
I am thriving local businesses supported by a community.  
I am awe-inspiring sunsets second to none.

## I am Gordons Bay Agent, Trish Hartley.

Hi, I am Trish Hartley and I've been a Property Consultant for Pam Golding Properties in Gordon's Bay since 2010, although I have been specialising in the Gordons Bay residential market for the past 16 years.

In today's ever-changing world, property practitioners need to be both well qualified and experienced. Prior to joining the Real Estate world, I worked in sales and management for 30 years (my tertiary education includes a B.Tech Degree NQF7). This combination of education and experience has proved to be the winning formula for me.

My greatest job satisfaction is matching the right client to the right home, with as little fuss and inconvenience for all parties concerned, in a time frame that suits all. I provide my clients with the support and guidance they need to ensure a smooth purchasing or selling experience. I remain professional at all times yet still provide empathetic and emotional support. Each sale and client has different needs and I pay particular attention to each.

I thoroughly enjoy my chosen career and believe my sense of humour provides great relief to all!

## My recently sold properties

**5 bedroom house in  
Gordons Bay**

R3,715,000

**3 bedroom apartment in  
Harbour Island**

R2,195,000

**3 bedroom house in  
Mountainside**
