

I am Mandy Mitoulis

Good day, I am Mandy Mitoulis and I've been working with Pam Golding Properties since April 2011. I specialise in residential property sales in Sea Point, Green Point & De Waterkant. When I'm not doing that I enjoy walking my dogs on the promenade and spending time with my family.

I pride myself on a professional approach to my work and my clients. I am not afraid of hard work and enjoy a challenge. I have been in real estate since 2004 selling residential properties in the City Bowl and Atlantic Seaboard and I have an intricate knowledge of my area. My real estate qualifications are up to date, I hold my Professional Practitioner in Real Estate (PPRE).

I love my career in real estate because there is never a dull moment and each day is like starting fresh. Every property is unique as is every property owner and buyer.

When I am not working I love spending time with my family at our home in Green Point or at our holiday home in Clanwilliam. You can usually find me working in the garden or reading a good book while soaking up some sun.

Get in touch and let's discuss how I can help you with your property requirements.

"Dear Mandy, Congratulations and well done on achieving the target set by your Manager for the first month of the financial year 2015/2016. This means you are off to a flying start - so stay focused, keep going and have fun too! With thanks and warmest regards, as always"
