

I am Alana Culverwell

Hi, I'm Alana and I specialise in Sectional Title rentals at Steyn City. I hold my NQF4 in Real Estate and have completed the board exam. I studied teaching and taught in the UK for 3 years. I have been working in property since 2012 and have extensive knowledge having dealt with rentals, off-plan sales and resales in Cape Town and Johannesburg. My mother is one of Pam Golding's top achievers and I plan on following in her footsteps.

I was born in KwaZulu-Natal and have lived in Cape Town and London as well as Johannesburg. In my free time, I enjoy travelling, cooking and spending time with my loved ones. I am truly blessed to work in such a beautiful and elite lifestyle estate. I believe in going the extra mile for my clients and in maintaining after-service relationships. I look forward to meeting you!
