

I am Louise Sivertsen

Hi, I am Louise Sivertsen. I have been with Pam Golding Properties since March 2012 where I've had the privilege of being mentored by one of the top agents, Myrna Duveen. We specialise in the most beautiful areas of Bishops court, Upper Claremont, Upper Kenilworth & Trovato Estate.

Prior to that, for 15 years, I held my Financial Services Practitioner's License (FSP), focusing on investment, tax and retirement planning. The marketing and analytical aspects of that position, but mostly the ability to earn one's trust, has equipped me to offer both seller and buyer alike an excellent service, providing the necessary knowledge that one needs when an agent deals in an 'upper-end' market.

I am passionate about people and assisting in making their dreams come true. I truly care about what they desire and it is a fulfilling experience to walk the journey with them in finding their dream home and negotiating a sale that both seller and buyer are happy with.

When I am not working, I am mom to two beautiful girls, with my son already

happily married and having provided me with a delightful grandson. I love the outdoors and enjoy a good game of tennis.

Please feel free to contact me to discuss how I can assist you with your property requirements.
