I am Heidelberg Residential Agent, Nikkie Kleynhans

Hi, I'm Nikkie Kleynhans and I've been working with Pam Golding Properties since 2012. I specialise in sales and valuations of residential properties in the Heidelberg area. I was born and raised in Heidelberg. For 9 years my parents and I lived on a farm, 5km outside of Heidelberg. After my father passed away, my mother and I moved to the town. It was a really big adjustment for me, as the only noise I was used to was the dairy and tractors.

In school sport was never an option for me! I was in the choir, a prefect, on the editorial board of the school newspaper "The Hagenda" and I was also a VCSV leader. In 2012 I was offered the job at Pam Golding Properties Heidelberg as a PA to the Franchisee. One year later together with my PA duties I became an intern agent. Now four years later I'm still balancing both duties and loving every minute of it and I'm still in Heidelberg! Heidelberg really has a soft spot in my heart, as it is my home town where most of the people know me very well.

I have done several Real Estate Training Courses and my NQF4 since I started in 2012 as well as completed numerous transactions. In my professional capacity I have evaluated many properties, sold a number of properties in a very short period and accepted the challenges that have come along the way. I strive to achieve the best deal for both buyer and seller and I am prepared to go the extra mile. I have a passion for people and love getting to know each client personally.

I strive to achieve the very best I can in the marketing of their property where each property holds a new challenge. The best feeling in the world is after registration, and both seller and buyer are satisfied and happy. I also appreciate the thank you afterwards. A career highlight for me was having breakfast with Andrew Golding after being chosen as one of the top selling agents in the Garden Route area.

I visited Namibia in 2014 and 2016. My love for travel awakened there. I would love to travel overseas someday, Paris, Thailand, Mauritius, Holland, China etc. My family and friends are very important to me and I love to spend time with them. I have a very adventurous side - Bungee jumping, sky diving, shark cage diving and sky diving are definitely on my bucket list! My love for animals is endless (except for spiders!), I have a cat, dog and an African Grey parrot. Let's get in touch and see how I can help you with your property requirements and I will walk the extra mile for you!

"All your effort and hard work made a big difference since day 1 when I listed my house with you. Thank you."
