I am Noordheuwel agent, Anne-Marie Cloete.

Good day, my name is Anne-Marie Cloete. I have been working with Pam Golding Properties in Krugersdorp since 2012. I specialise in residential sales in Noordheuwel and Rant-en-Dal. In my spare time I enjoy knitting and reading a good book. I also love spending time with my family and friends as well as visiting different kinds of markets. I look forward to being of assistance to you through this process and know that I can make it a memorable experience. Get in touch and let's discuss how I can help you with your property requirements.

I have been in the real estate and property industry for the last 6 years and in that time I successfully completed my NQF4 in real estate. I am a dedicated agent with a passion for real estate and assisting people. I'm the expert agent in Noordheuwel and Rant-en-Dal, based in Krugersdorp. I've been working in these areas for the past 4 years. I take great pride in assisting my clients as quickly and efficiently as possible. My most notable sale was a property in Woodstream Loftus where I succeeded in selling before listing or advertising the property. I have also sold a property in Sneeberg Street and managed to sell it successfully within the first 4 days.

I am the proud mother of one daughter and I love animals very much. I enjoy exploring new places, being out and about and trying new things. When it comes to my approach in the real estate industry, I am very honest and straight forward. I am also very hands-on, so I do not allow anything other than perfection. What I love most about this industry is the fact that I get to meet and relate to new people. I love going the extra mile to make sure that my clients are happy. I like paying close attention to each and every detail of selling a property and adding my own personal touch.

"She is a very professional and trustworthy agent."
