

I am Yvonne Gloyne

Hello, my name is Yvonne Gloyne and I have been with Pam Golding Properties in Durban North for two years since April 2014. I started off my real estate career working in the rental division and a year later I joined the sales team. I now currently specialise in residential sales, covering the areas between Durban North, Umhlanga, Umgeni Park and La Lucia. I strive to always be honest, professional and friendly to all my clients. Please get in touch with me. I look forward to assisting you with all your property requirements.

I have been in real estate for 4 years and I am currently doing my NQF4 qualification. I have sold several properties to very happy clients. I have a passion for helping people, particularly when it comes to their property requirements. I am loyal, honest and friendly and always offer my clients exceptional service. I would like to be your first choice when you think of real estate whether you want to purchase or sell your property. I truly love what I do and will always put my client's needs first. I also take into consideration my client's needs and wants when helping them sears for that

right property.

I also strive to always uphold the great Pam Golding name because I not only represent myself as an agent but my company as well. I am a quiet, hard-working agent, who believes in building long-term relationships with my clients. There is nothing that makes me happier than returning clients who continue to choose me as their agent of choice. I am enjoying the challenge of an ever-changing real estate landscape and I like to surround myself with positive people who keep me motivated. I am a team-player and I always act in the best interest of my clients. For me, clients come first always!

My recently sold properties

3 bedroom house in Sunningdale (uMhlanga)

R2,100,000

3 bedroom house in Park Hill

R1,095,000

As a property agent I am approachable, friendly, reliable and honest. I hope I can help you with all your property requirements.
