

I am Keri de Waal

I am Westlake

I am the call of the kingfisher diving for his meal.
I am the leisurely drifting hot air balloons.
I am the golf ball finding it's home on the 9th hole.
I am the eager pony waiting for the outride.
I am the sun rise over the majestic Magalisburg mountains.

I am Westlaket Agent, Keri De Waal.

Good day, I'm Keri and I am the accredited Pam Golding Properties agent in the Westlake Country and Safari Estate. It will be my pleasure to assist you in your dealings at this beautiful residential complex. Whether buying or selling, you will be treated with respect, confidence and most of all, with the serious commitment to service that you expect. Give me a call and let me assist you with your property requirements.

I am currently working as an intern agent and I am responsible for the Westlake Country and Safari Estate as well as Leloko in Hartbeespoort. I began my association with Pam Golding Properties in May 2014. I was attracted by the diverse and varied challenges facing estate agents, the need to think on your feet and react to situations as they arise.

Prior to working with Pam Golding Properties, I studied and successfully achieved my NHDP Public Relations and Communication Degree. I then began my working career in the Public Relations Industry. I spend 23 years building up my reputation in an equally fast paced and diverse business environment. I was exposed to and interacted with individuals from almost every business sector in the country, giving me an excellent understanding of the diverse industries. It enabled me to communicate on the right level with prospective buyers and sellers, showing an understanding of their needs and the ability to relate to their situations.

My clients value my commitment as well as my committed drive to achieve excellence. I have an uncanny ability to match the right person to the right home and that further contributes to my success in sales. As an intern agent I have currently sold 7 properties and my highest sales value to date has been 3.5 million. I love the fast pace, diverse business environment and varied challenges facing estate agents and especially the need to think on your feet and react to situations as they arise.

In my spare time I enjoy spending my leisure time supporting and engaging in my sporty family's pursuits of athletics, mountain biking and camping. I am an ardent animal lover and support numerous charities in this regard. On a rainy day, my favourite past time is to curl up on my couch with a cup of coffee, a good book and having my pets by my side. Please do get in touch and let's discuss your property needs.

"Throughout the entire time Keri assisted us in a professional and efficient manner. All problems were solved without delay and our stay was most pleasant. With us being new in the area, Keri also assisted us with non-rental matters when necessary. I believe Keri will be an asset in helping anyone with their property needs. "
