I am Rustenburg Agent, Soretha Schoeman

Good day, my name is Soretha Schoeman and I've been working with Pam Golding Properties since May 2015. I specialize in residential sales in the Rustenburg area. In my spare time I enjoy spending quality time with my family and friends. Get in touch and let's discuss how I can help you with your property requirements.

After completing a three year Business Administration Diploma at Technikon Pretoria, I started out my career in IT Information Management. I love technology and have worked in the sales environment for more than 15 years while travelling extensively. I then made a decision to relocate out of the city and into the country side in search of a better quality of life.

After moving to Rustenburg, I acquired a bakery and ran the business successfully for seven years baking artisan breads, pies and biscuits. I have always been interested in the property market so I jumped at the opportunity when it arose. Customer and client service has always been an important part of my life. I have always worked with clients and love making them happy. Building relationships and networking is very important in this industry. It is important to listen, learn and get a good feel of what your client is looking for.

I currently specialize in residential sales in and around the Rustenburg area. I also assist with occasional rental agreements as well as commercial rentals and am also involved in marketing property in a few bigger lodges in the area. In my spare time I enjoy spending time in the outdoors, travelling, cooking and practicing my other passion photography. I also believe in helping my community, so if the opportunity arises I get involved and assist the community in various programs through my local church. Children and animals are also a great passion of mine. I get involved with public programs if permitted.
