

# I am Ilma Brink

Hi, I am Ilma Brink and I am passionate about property. As an avid researcher of property trends, I believe that property information help you make smarter property decisions. Always ready to take up a new challenge coming my way, I have joined the Luxury Development Team in the Pretoria Regional Branch focusing solely on sales and investments in new luxury lifestyle developments. Helping buyers fall in love with our products requires an understanding of human nature and the feelings that coincides with the process. Definites to selling are firstly the understanding of architectural elements integral to every new property development that are introduced to the market. However for the investor it is the return on investment. My goal is to ensure buyers make the most out of their property purchases.

I hold a Masters in Development Studies as well as a Professional Practitioner in Real Estate Qualification. I have joined Pam Golding in 2015 and practises as a Full Status Agent.

Through my hard work, passion and dedication I have managed to sell over

the past 11 months units in our stunning new developments to the value of R117 million. I am excited for what the future holds in our beautiful country and city. Real estate is in my blood.

When I am not working, I am enjoying quality time with my family and pets, going to the movies or getting lost in the latest suspense novel.

"Jy is baie goed en doen baie moeite. Baie baie dankie "

Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend
