

I am Berleen Lawrence

Hello, I am Berleen and I began my career in real estate in 2007. I specialise in residential property sales in Westridge, and I am ready to be of service to you.

I am currently working towards completing my qualifications in real estate and continue to further my knowledge and expertise of the industry with valuable training offered to us through the Pam Golding Properties Training Academy. I matriculated from Bridgetown High, and hold a NQF level 4 in Computer Programming and Business studies obtained through the Peninsula Technical College.

Being a home executive and mother, I am able to work on the go, and embrace challenges with my calm demeanour. I do try to plan everything in life, but there are many unexpected curveballs along the way, and I am prepared for the unexpected elements life presents me.

I pride myself in my positive outlook of life, with a keen ability to assess situations, listen to my client's needs and remain focused on achieving their requirements. My key focus is to provide all clients with the highest level of

service. Having worked in the real estate industry for over 9 years, I have a thorough grasp of the industry and client service.

I'm a poet and future author. I enjoy the finer and simple things in life such as taking a walk or gardening. Family is very important to me, and ensure to keep a balance lifestyle between work and family life.
