

I am Les Lynch

Good day, I'm Les Lynch and I've been working with Pam Golding Properties since 2016. Since joining Pam Golding Umhlanga, I decided to specialise in both residential and development sales in Umhlanga and the new Sibaya Precinct. I am always ready to welcome new buyers and local sellers with our professional property services, trends and great investment opportunities. I have 30 years residency and 14 years local real estate knowledge and a passion for Umhlanga.

Being in the hospitality industry 15 years, with my passion for people coupled with great service, I also realised Real Estate has the opportunity to offer great service to our local property sellers and buyers wishing to make this home. My clients appreciate my honest, informed, professional assistance and property advice. I stay up-to-date with market trends in our area, new developments as well as the economic climate. Research and comprehensive information is key in making decisions for both the seller and buyer.

Apart from being privileged to sell our Seaside Lifestyle, on my days off I enjoy spending time with my family and friends and venturing to our nearby local weekend retreats along our magnificent coastline, the Midlands and Drakensberg.

Get in touch and let's discuss how I can help you with your local property requirements.
