

I am Denzil Sampson

Good day, I'm Denzil Sampson and I joined Pam Golding Properties in the latter part of 2016. I'm the resident agent for Beacon Valley Mitchells Plain and extremely proud to be a part of an outstanding team at the Pam Golding Westgate office.

I am currently finalising my NQF-4 certification in real estate and have been attending ongoing training sessions with some of our conveyancing attorneys with regards to our day-to-day dealings with buyers and sellers. I pride myself on my commitment to my clients, whether they are looking for a valuation, or actively buying or selling. Building strong relationships and instilling trust is at the core of my business ethic. I aim to market the sale or purchase of property in a manner that is considered and informed.

My most notable recent sale was a plot of land in the Lentegeur area of Mitchell's Plain. This was a cash offer that was concluded in 2 short weeks. My life quote is "You cannot change a man's life, his state and estate until you've changed his thinking". In my personal capacity I coordinate and lead

service in the Loveworld Ministry known as Christ Embassy. My wife, 2 daughters and new grandchild are precious to me and I enjoy spending time with them.

If you would like to discuss your property requirements, please get in touch with me.
