

I am Susan Tarboton

Hi, I'm Susan and I have been working with Pam Golding Properties since 2016. I specialise in sales, both residential and commercial in Middelburg. When I am not doing that I enjoy tending to my garden.

I have been in real estate for nearly ten years and have an NQF4 real estate qualification. I thrive on the challenge of delighting clients, both sellers and buyers, with my unique personal service.

I look at the buying process as a puzzle with the aim of establishing what you really want and ensuring that I can deliver an experience second to none in your quest for your dream home.

To my clients who are selling their houses, I offer my highly competent advice on an achievable sales price – one that I can deliver on.

I have lived in Middelburg for 18 years and know the area very well, so I can give any newcomers in town vital inside information.

I am proud to say that I have often been honoured as listing agent or selling agent of the month. However, my greatest pleasure is delivering a transaction where both buyer and seller are confident that "this is a great

deal" and both know that they chose the right company in Pam Golding Properties and the right agent in Susan Tarboton. Contact me for all your property requirements.
