

I am Susan Zsohar

I am Helderberg

I am early morning sunrise over the Helderberg.
I am gentle winds sweeping through our vines.
I am frolicking waves lapping our white sand shores.
I am the panoramic scenery of our ever-changing skyline.
I am the stately gabled buildings of our historical winelands.

I am Somerset West agent, Susan Zsohár

Hello, I am Susan Zsohár, Somerset West agent. I have a professional qualification in real estate (PPRE) and have been a residential sales agent in the Helderberg since 2012. I hold a BA degree in English and Communication and, following a 25-year career in publishing and pre-press, I developed my passion for real estate while working for a group of building surveyors and architectural designers during my stay in the UK between 2007 and 2011. I am an ardent conservationist of our beautiful environment, and being a qualified tourist guide for the Western Cape region, I simply love introducing my clients to the stunning Helderberg and its surrounds while searching for their dream homes.

I believe that selling real estate is about people and trust, and with my solid grounding of high ethical standards, I am firmly committed to acting in the best interests of my clients at all times.

Serving you with honesty, integrity and professionalism is what I am about. So, if you are thinking of selling or buying, give me a call
