

I am Debbie Liebenberg

I am Debbie Liebenberg and I have recently joined Pam Golding Properties as a rental agent across the Western Seaboard.

Having worked in the hospitality industry for over 10 years, I have a passion for people. My work ethic is to always go the extra mile to ensure a level of service excellence, no matter how big or small the challenge. I am committed to doing my best, staying positive and believe that there is good to be found in everyone.

Having just begun my career in property, I trust that my people skills will equip me to work alongside my clients, ensuring that their properties are well-managed and generate a good rental return.

When I am not working in the fast-paced rental environment I love to spend time outdoors. I keep fit and healthy by hiking, dancing, kickboxing and exercising. However, balance is good and I also enjoy socialising and visiting friends in my spare time.

I invite you to get in touch with me to discuss how I can help you with your property rentals and requirements.
