real estate opportunities in my areas. Please feel free to get in touch at your convenience.

Goodday, I am Julian Scott and I'm proud to be the Pam Golding Properties sectional title expert for Silver Lakes, Equestria and the surrounding area. I am currently based in the Pretoria office in Menlyn Main, but you could say that I was raised in a real estate environment. My mother is a current Emerald status agent, so I was taught real estate by one of the best. I love variety, which is part of why I'm so passionate about real estate. Each new house I bring onto the market presents a brand-new challenge, along with opportunities to meet new people and treat them to the very best service possible.

Building good relationships with clients is my number one priority and I continually strive to remain honest, loyal and hard working in order to achieve this. A recent success I'm particularly proud of is a home I sold the very next day after it was listed.

Having just got married, I love spending my spare time with my wife and we love to visit new places and go on road-trip adventures together.

I look forward to hearing from you with any queries or simply to chat about
