

# I am Patty Duff

Hi, I am Patty Duff, a property consultant in rentals for Pam Golding Properties. My areas include Atholl, Hyde Park, Sandhurst, Melrose & Dunkeld West.

My love for everything property has seen me set up the offices in South Africa for Resort Condominiums International – the timeshare exchange company, to develop a timeshare lodge in the bush and one in Mykonos Greece to selling developments and turning my property in Hyde Park into a 5 star exclusive Guest House.

I have lived in Hyde Park for over 20 years and have watched Hyde Park blossom into a world class cosmopolitan suburb!

I am passionate in everything I do and strive for excellence and balance in my life.

When I'm not matching clients to their perfect surroundings I am enjoying my family and friends, walking my yorkies and travelling to far flung places.

Be in touch and let me assist you with your property requirements!
