

I am Nerina Wallington

Hi, I am Nerina Wallington and I've been working with Pam Golding Properties since 2018 and enjoying it immensely. I specialise in residential sales in both freehold and sectional title from Kloof, Gillitts, Assagay and Summerveld. I am a local Gillitts resident who is passionate about the area. I am busy studying towards my NQF 4 and looking forward to being qualified and expanding my knowledge in the industry.

My passion is my faith. I enjoy interacting with people, and this business gives me the chance to make a difference in people's lives. I am committed to assisting my clients throughout the process to make it as stress-free as possible. Being creative, I have a love of interior decorating, garden design, gardening and oil painting. I really enjoy assisting my buyers in showing them the potential of their home and the changes that can be made to suit their needs.

When I am not working, I enjoy spending time with my family, long walks on our beautiful beaches and mountains. I am a hardworking and dedicated person and thrive on making people happy. Please don't hesitate to get in

touch and let's discuss your property requirements.

"Ms Wallington assisted us when we purchased a plot of land in Kloof at the end of 2017. She handled the transaction very well and gave us a very good service in the advice she gave us and had in some instances went out of her way to ensure our needs were met. She is an asset to your organisation."
