

I am Saria Blaauw

My name is Saria Blaauw and I live on St Francis Links golf estate in St Francis Bay. The golf course was rated 6th in the country this year! My husband, Charl, worked at Oubaai golf estate in George and we relocated to St Francis Bay for him to join the Links Team – we have never looked back!

Our two daughters are 11 and 13 years old, and I have been a mom-on-the-go for the last few years. We love the lifestyle St Francis Links and St Francis Bay offer.

Charl's colleagues, especially the management team, is like family and we enjoy every moment of living life together! He is a keen golfer and we make full use of the facilities on the estate, from the gym and pool right through to walking and running and of course, having good meals at the clubhouse. In September 2017 I entered the property market and started working as an estate agent. Naturally I am passionate about the Links, and I know all the reasons why. So when the opportunity came to join Pam Golding Properties as the on-site agent for St Francis Links, I knew that this is what I want to

do.

My focus will be solely on St Francis Links, concentrating on having knowledge about availability, prices, regulations and much more. In this way I can offer a personalised service to clients whether they are buying or selling, looking for a home to live in or a holiday house.
