The touch of a summer's cloud and seawater through my toes,

## **I am Helderberg agent, Udo Aberle**

Hello, my name is Udo Aberle.

I have been in the property industry for over 5 years and recently joined Pam Golding Properties. Through my background in a service oriented business sector, I have gained over 30 years of experience in dealing with clients, always striving towards professionalism in all I do.

I immigrated to South Africa with my family from Germany in 1999 and have been living in the Boland and Overberg area for 20 Years. Starting in Stellenbosch for 15 years and now living in Somerset West for the last 5 years.

My passion for Real Estate is combined with a high degree of integrity and loyalty which ensures 100% client satisfaction, ensuring a strong network of long-term relationships. My strength lies in identifying the unique potential of each property and how these can be transformed into spectacular homes.

When I am not interacting with my clients to find them their dream home, I enjoy a round of golf with my friends or play soccer with my teammates at the "De Beers" Football Club in Somerset West. Another highlight for me is to explore new great restaurants and wine farms in the Boland area and have fabulous lunch or dinners in the middle of nature.

Feel free to get in touch with me. Let's discuss your property needs and requirements.
