

I am Seba Sekano

Hi, I am Seba Sekano and I've joined Pam Golding Properties this year in 2019. I will be focusing on residential properties in and around Rustenburg. Pam Golding, being the top agency nationally, has by far been my agency of choice to learn the ins and outs of property from. I know that being an agent comes with hard work and a constant flow of newly listed stock and a good work ethic which I intend to uphold.

When I am not at work, I'm a dedicated house wife to an 18 year old daughter and a delightful husband. I enjoy downtime by watching the odd movie. Unlike most woman, shopping is not my strong point unless it's shopping for houses for clients.

What I am looking forward to the most in working with property, is putting my clients in homes that match their character and seeing them fulfilled in their choice of home. I believe by listening well to my client's needs, that I can assist them in finding them their dream home, or a home that is comfortable for their needs and pocket.
