

I am Bev Sparks

I have been involved in selling Real Estate since 1994, spanning a career of 25 years to date. I joined Pam Golding Umhlanga on the 16th of May 2019.

I started my journey in Real Estate as an intern in 1994, working in the prestigious and beautiful area of Bedfordview, East Rand, Gauteng, where I grew up and finished my schooling. At the end of 1995, I made the move from Bedfordview to Umhlanga, and continued my career selling property specialising in Umhlanga Ridge, Umhlanga Beachfront, La Lucia, Umdloti and then ultimately adding the Tongaat Hulett endorsed Izinga Ridge and Park as well as Havaan Forest Estate.

I have been very successful in building up a solid networking base, strong Real Estate Ethic, as well as maintaining a "Top Performer" Status throughout my career to date.

"Real Estate is the basis of all wealth, the heritage of the wise, the thrifty and the prudent Individual. One of the most important financial investments one will ever make in life, is the purchase of Real Estate in all forms."

I take pride and enjoy building excellent working relationships with my Clients, both Buyer and Seller, of whom a fair number have bought and sold their properties through me over a span of 10 years or more,

I believe that by upholding a high standard of professionalism, strong work ethic, coupled with a sound knowledge of the property market and current market conditions, I am able to offer you, the Client, comprehensive all round advice and service in order to achieve the best results.

I look forward to working with you.
