

I am Severine Maurel

Hi, I am Severine Maurel. I joined Pam Golding Properties Mauritius in April 2019. I specialise in rentals and sales of residential properties in the northern region of Mauritius. I've lived in the area for 15 years and I know the area very well. Prior to that I managed my own business for 12 years, dealing mainly with hotels and villas everyday pickup and delivery. I am diligent, patient and determined to meet my clients' expectation of a high service level. I have a strong sense of responsibility, listen to my clients' wants and needs to achieve the best outcome in every transaction, and strive to ensure that the buying and selling process is professional, easy and stress free. My clients can count on me as I am devoted to my job. I have the support of my family and a fantastic team to help me to achieve my goal. I have learned to listen to my clients' requirements and to understand what is best for them. Sometimes little details can change the world!
