

# I am Lloyd Van Wyk

Hi, I am Lloyd.

A prominent Businessman born and bred in Bronkhorstspuit.

I decided to join Pam Golding as they are the Market leaders in quality and service. Due to my intimate connection to the Town and its inhabitants, i am confident that i will be able to match Suitable Sellers with Eager buyers.

I like everything related to the great outdoors. I have a serious sense for adventure and love to keep busy with numerous activities like Hunting, Cycling, Boxing, Hiking etc especially when i can involve my beautiful wife and three boys. I also have a passion for ministry.

I look forward to doing business with you.
