

I am Toni Lee Van Niekerk

Hello, I am Toni-Lee and I joined Pam Golding Properties in 2020. Prior to joining the Pam Golding Group, I worked as part of a husband and wife team in managing our own business' since 2008. As an eternal optimist, I took the challenges of 2020 as an opportunity to reapply my skills in an industry which I not only invest in but have a deep respect for. I believe that property offers everyone the opportunity to develop wealth. I am joining Pam Golding Properties with diverse entrepreneurial experience and look forward to applying it as a property practitioner. I have been residing as a home owner in Somerset West since 2012 and know the areas I focus on intimately. I will be specialising in residential, sectional title and exciting new developments in the Helderberg area. My areas of focus will be residential Estates such as Croydon Vineyard, Croydon Olive and Kelderhof Estates as well as the greater Somerset West area. I am committed to exceeding my client's expectations and aspire to become one of the top Pam Golding Properties agents in Somerset West. In

my spare time I enjoy reconnecting with my family and friends.
Get in touch any time to discuss your property needs.
