

I am Martin Joubert

Hi I'm Martin Joubert and I am one lucky guy! For the past 15 years I have had the privilege of working in and experiencing places across the globe that you would have to pinch yourself to believe they are real. But home beckoned and I've now handed over the keys to my gypsy caravan. And what better place to settle than the Helderberg - fresh sea air, magnificent mountains, the winelands and good people.

With my strong legal background and incredibly varied career and life experiences there was only one real estate brand that I wished to align with; Pam Golding Properties - the undisputed leader in the market place.

I love sharing my enthusiasm for Pam Golding Properties and the Helderberg with new and established buyers and sellers. I can't wait to meet you all!
