## I am Mount Edgecombe Agent, Judy Gordon.

Hi, I'm Judy and I've been working with Pam Golding Properties since 1994. I specialise in sales and rentals in Mount Edgecombe. My hobbies include golf, tennis, mountain biking, bridge and reading. Get in touch and let's discuss how I can help you with your property requirements.

I have 22 years of sales experience with Pam Golding Properties and have successfully completed my NQF4 qualification. I have also been a Gold Club Agent for 13 consecutive years! I specialise in the Mount Edgecombe Country Estate 1 and Mount Edgecombe Country Estate 2. My goal is to find the perfect homes for my various clients.

In my first two years of selling real estate in Mount Edgecombe I won the National Award for my category. What I love about working in this industry is exploring and sourcing the right homes for the right buyers. It gives me such pleasure to see my clients so happy in their new environments. I find it very interesting to meet so many different types of people.

When I'm not busy with clients I often play golf and tennis at Mount Edgecombe Golfing Estate. I have been fortunate enough to paddle the Sella, which takes place in Spain and is the biggest canoe race in the world. I have also cycled in about 8 Argus Cycle Tours and the best achievement was coming 3rd in my age group. I now mountain bike and have done the Tour de Tuli, Sani2C and a number of Stage races.

I absolutely love my bridge and have been playing with a wonderful group of friends for over 20 years. My family is very important to me, and when my daughter lived in London with her family I travelled there every year. Fortunately they now live close to me and I see them as much as possible.
