

I am Leanne Titley

Hello, I am Leanne Titley, a rental real estate agent at Pam Golding Properties. My areas include the beautiful suburbs of River Club, Moodie Hill, Sandhurst X4, Parkmore, Hurlingham Manor, Willowild and Bordeaux. For the past 30 years I have been privileged to call the established neighbourhoods of Sandton home, and since 2005, Pam Golding Properties my second home. Two special places in my heart, both set within this world-class city.

I am passionate about people and property. I enjoy the challenge of connecting families to their dream home and I know that a home often becomes an extension of a family's unique personality. I believe that it's really important to understand exactly what my clients' needs and property requirements are in order to find the perfect match for them.

As a family, we have made many lasting memories in and around Sandton. From the excellent education my children received at the local schools and time spent at the many outdoor facilities to dining at delightful eateries and long property chats around the dinner table, we could never had asked for

a better lifestyle.

Even though property is truly engrained in my DNA, I enjoy spending my leisure time with family and friends, going for early morning walks and planning my next travel adventure.

Please get in touch and let me assist you with your property needs.
