I am Blue Valley Estate Agent, Liesl Maddock.

Hi there, I am Liesl and I have been with Pam Golding Properties since 2004. I specialise in residential Real Estate in Blue Valley Golf and Country Estate. I hold a Professional Practitioner in Real Estate Qualification.

I have focused on rentals and sales in Blue Valley Golf Estate for the past 13 years. As a resident of Blue Valley myself, I am very passionate about the estate and the residents. I love meeting new people every day, building lifelong relationships. I take pride in bringing trust and honesty to my clients and in turn they become clients for life. I strive to make a positive contribution to everyone that crosses my path, no matter where their personal background brings them from.

My hard work and dedication has rewarded me with Gold Club Membership for 7 consecutive years, making me one of the top achievers in Sales and Rentals within the Pam Golding Family. I am excited for what the future holds, and believe that real estate is in my blood.

When I am not working, I am whipping up a delicious meal or filling up my kitchen with home baked goods. I spend quality time with my family, we love going to the theatre or watching the latest movies.

Get in touch and let's discuss how I can help you with your property requirements.

"Liesl is hardworking, loyal and committed agent, who truly goes the extra mile for her clients. She never gives up! Her values and integrity are as remarkable as her compassion and caring personality "
