Hello, I am Thea and I have been with Pam Golding Properties since 1996 and could not be happier! I specialise in rentals in Waterkloof, Waterkloof Ridge, Waterkloof Heights, Nieuw Muckleneuk, Muckleneuk and Brooklyn, Gauteng.

With over 20 years' experience in residential rentals, I have recently furthered my skills and expertise into the Investor Development rentals field. This is an exciting change to my career and I embrace each new opportunity with renewed enthusiasm. It is a privilege to take ownership and rent out peoples largest investments, be it a mansion or a one bedroom apartment. I pride myself in building trusting relationships to ensure utmost respect for property and partnership is adhered to.

My hard work and dedication has rewarded me with Gold Club Elite Membership, making me one of the top achievers in the Rental Division within the Pam Golding Group.

My valuable spare time is spent with family and friends, or having a quiet moment working in my garden. My dream is to visit my children in Italy and the Caribbean in the near future.

Get in touch and let's discuss how I can help you with your property requirements.
