

Imagine Issue 2

21 April 2015

Indulge your senses. Discover dream destinations & inspirational places- from trendy urban to rural & tropical splendour (with a dash of nostalgia & tech thrown in). Escape the Winter blues. Sigh.

This month we take you on a journey through heritage homes filled with stories to idyllic island living in Mauritius. This edition of Imagine is also peppered with smart technology that's changing the way we live, 10 reasons to live in Apple country, a collection of stunning ideas on how to live outdoors this winter and so much more. Enjoy!

Imagine is Pam Golding Properties' biannual **lifestyle and property** magazine which celebrates the finer things in life. Whether you're a lifestyle or property enthusiast, you'll find your inspiration in the pages of Imagine.
