

# Imagine Issue 4

22 April 2015

Dreams make things happen. From inspirational trend-forecaster, Dion Chang, to extraordinary gardens, idyllic international properties and waterwise ideas. Not to mention the lure of London.

Take a trip with us to the idyllic French Riviera and Vietnam and find out how our inimitable life president, Mrs Pam Golding made her dreams a reality. We tell you all you need to know about how your property's location can affect your children's schooling options. Plus there's a wealth of stylish ideas - from the perfect pad, beautiful gardens and Dylan Lewis's breathtaking sculptures to the latest trends in lighting and cycling.

Imagine is Pam Golding Properties' biannual **lifestyle and property magazine** which celebrates the finer things in life. Whether you're a lifestyle or property enthusiast, you'll find your inspiration in the pages of Imagine.
